

Welcome to the Year of the Tiger

Since this is the beginning of a new year, I thought it would be a good time to think about what I've managed to achieve in the past twelve months.

Here are my top 5 successes of 2021.

1. Decided on my niche. Stories with a touch of magic.
2. Updated my website and blog.
3. Started a newsletter.
4. Gained confidence in marketing.
5. Started writing again.

We tend to focus on things we don't do well and forget to congratulate ourselves on our achievements. Of course, I also had a few failures, but I prefer not to dwell on those, especially during this time of new beginnings.

What are five things you were successful at in 2021 and what do you want to achieve this year?

I'd like to offer a small New Year gift to my subscribers. If you would like my help with your novel, I'm giving you a 10% discount which you can redeem this year on one of my services. Just mention "Lucky Money" and I will reduce the fee.

Wishing you a wonderful Year of the Tiger.
